## KILLER BEINGS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. LG WILLIAMS isn t just about poetry. His success tells us as much about ourselves (and our desire to create beautiful, serene worlds to live by and share) as about his imaginative skills. LG s lyrics aren t as much about word and image as they are about style and presentation. The voice is often simple (that s good, because it means less work for the reader), and beautifully crafted. You may find some of it a bit beyond your time or taste, but it s fun to look at the beautiful lines and dream. In any case, LG s latest book, Killer Beings, should be proudly displayed on your living room table - right next to your latest issue of Martha Stewart Living. It has a complete assortment of goodies, for nearly any occasion. You will find old friends and new ideas, like the wonderful poems of love and longing, which help one get through the stressful workdays or family holidays. More at:
