To read **The Body in Equipoise: Poems (Paperback)** eBook, make sure you refer to the web link beneath and download the document or have access to other information which are have conjunction with THE BODY IN EQUIPOISE: POEMS (PAPERBACK) book.

Full Court Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A work at once finely tuned, vast, and surprising, Joel Allegretti's *The Body in Equipoise* is, indeed, the human being squaring the circle, with its nervous system. . . a radio tuned to the soundtrack of life. Or perhaps this more accurately describes Allegretti himself, who in deft and subtle strokes has created a poetics from the bones and beams of centuries of architectural history (not to mention modern art) that is somehow both erudite and enduring, light and air filled-much like its inspiration. Further evidence of the highly original, remarkable work coming out of our small presses today. -Lynne DeSilva-Johnson, Managing Editor, *The Operating System* Joel Allegretti tells us, I am a creature of rooms. Each of his stanzas is cantilevered above corridors of memory. The ghosts of Mies van der Rohe, Eero Saarinen, Antoni Gaudi, and Frank Gehry create dwelling[s] in the shape of the shapeless. This architect of words voices selves, with linguistic sinew, with etymological marrow. The poet avers, Under the wing of a great architecture / marble recovers its identity. His personae chart peregrinations from the known to spires of the ineffable. With alacrity, the reader climbs each annealed line, arriving at a thrilling new language that is uniquely Allegretti's. -Dean Kostos, Author of *This Is Not a Skyscraper* (Benjamin Saltman Poetry Award winner) and *Rivering*.
