By Professor William Brown

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from America, a Four Years Residence in the United States and Canada: Giving a Full and Fair Description of the Country, as It Really Is, With the Anecdotes of Persons and Institutions, Prices of Land and Produce, State of Agriculture and Manufactures Having been called upon, in many towns and villages in Yorkshire, to recite my personal narrative of America and the Americans, a call which I have always complied with, my friends now have paid me the compliment of asking me to publish an account of my four years residence in that country, and, at their suggestion, I have written out, from notes taken at the time, and from memory, the following pages. This book contains a true and faithful account of my peregrinations in North America, and an account of all I saw and heard which I thought worth remembering. I have, in general, given the true names of the parties spoken of, and it has been my aim that I should nothing extenuate, nor set down aught in malice. It will give my countrymen, who are now thinking...

Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

-- **Rachel Stiedemann**

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.
