Get 2 FREE Ebooks with this guide Are you ready to improve your health and vitality with the use of nature s greatest medicines? Allow me to introduce you to the world of essential oils, aromatherapy and massage. When it comes to administering essential oils for their amazing health benefits, few techniques are as effective or complementary as massage. Not only does massage address the practical need for introducing essential oils to the body, but also brings a whole host of therapeutic benefits to the table in its own right. Simply when used on their own, the unique remedial properties of essential oils can offer a wide number of health benefits, from the alleviation of pain, stress or tension, to boosting circulation and energy. When used in combination with the art of massage, the curative effect of these substances can be multiplied manifold. This book will explore the powerful link between essential oils and massage, and provide some guidelines as to how the two can be used in marriage to create...
