By Alan D. Wolfelt

Companion Press, US. Paperback. Book Condition: new. BRAND NEW, The Depression of Grief: Coping with Your Sadness and Knowing When to Get Help, Alan D. Wolfelt, Recognizing that depression is a normal and natural component of grief, this compassionate guide helps mourners to understand their depression, express it in healing ways, and to know when they may be experiencing a more severe or clinical depression that would be eased by professional treatment. It proposes that grieving people do not necessarily need to be diagnosed for depression following the death of a loved one and guides them through exercises to express their depression in healthy ways. In a society where mourning and melancholia are often ignored, this book gives mourners the supported and reassurance necessary to understand and appreciate that their depression is a regular part of the grieving process.
