Brand New Book ***** Print on Demand *****.Ten-year-old Buck Brown is the sole survivor of a plane crash in the interior of Australia s Northern Territory. Watching the plane sink into the murky water of a remote outback billabong, he remembers the pilot saying they had been flying off-course for hours. Search parties will never find Buck, he decides. There is only one way out, to walk several hundred kilometres home. With grim resolve, Buck sets out on a trek that will require resolve, knowledge, and ingenuity, a journey that will test his strength to the limit. He will be a participant in the elemental struggle for life and survival. Buck s gruelling trial will also teach him surprising lessons about friendship and loyalty. If he is successful it will be a trek that leads not only back to his family and home but also to a maturity not always achieved in a full lifetime.
