Others could well get excited by all the chopping, reaping and killing or be offended by the mushy poems professing love. If you prefer a little titillation, be warned, there are no refunds or compensation for bruised buttocks from the house of sin. Not put off by any of the above? Maybe just a bit by the mushy love Desensitised to violence and killing? Though the titillation might be thrilling Rhyming or not, it s all the same Sounds as if you would be game So take the plunge, if you dare Then leave a review -- it shows you care.
