

## There Is Simply Too Much To Think About: Collected Nonfiction (Paperback)

Filesize: 2.07 MB

### **Reviews**

*This pdf is indeed gripping and exciting. It was written quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Kurtis Parisian)*

Penguin Putnam Inc, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Bellow s nonfiction has the same strengths as his stories and novels: a dynamic responsiveness to character, place, and time (or era) . . . And you wonder--what other highbrow writer, or indeed lowbrow writer has such a reflexive grasp of the street, the machine, the law courts, the rackets? --Martin Amis, The New York Times Book Review One of the supreme fiction writers of the twentieth century, Nobel laureate Saul Bellow was also deeply insightful in his lesser-known roles as essayist, critic, and lecturer. Gathered together in this stunning compilation, Bellow s vast range of nonfiction reveals the same wit, daring, and wisdom that distinguish *The Adventures of Augie March*, *Henderson the Rain King*, *Herzog*, *Humboldt s Gift*, and other masterly novels. In *There Is Simply Too Much to Think About*, as in the novels, the twentieth century comes fiercely to life through Bellow s unrivaled human understanding and singular style. Benjamin Taylor, editor of the acclaimed *Saul Bellow: Letters*, joins Bellow s better-known essays to previously uncollected works selected from his criticism, interviews, speeches, and other reflections. Featuring Bellow s commentary on such fellow writers as Ralph Ellison, Philip Roth, and J. D. Salinger, a remembrance of Franklin D. Roosevelt, dispatches from Paris, Spain, and Israel, and indelible portraits of his hometown, Chicago, this collection brings together writing from every phase of his career. *There Is Simply Too Much to Think About* is a guided tour of the twentieth century--what we did, suffered, survived--conducted by one of modern life s most inspiring minds.
