The Complete Lachlan Walking Types (Paperback)

Filesize: 1.76 MB

Reviews

An exceptional book and also the font utilized was intriguing to read. This is for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Tyson Hilpert)

THE COMPLETE LACHLAN WALKING TYPES (PAPERBACK)

Feedaread.com, United Kingdom, 2013. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****This volume is a compendium of two collections of comic tales from the Scottish Highlands. 1) The Complete Lachlan. Lachlan McLoughlin returns! Scottish hillwalking colossus, inventor, adventurer, and self-confessed Renaissance Man. Be enthralled as he and his long-suffering companion roam the Highlands in search of: buried treasure, a decent drink, Roman relics, free badges, the Stone of Destiny, fame through technological innovation, UFOs, rocket launchers, long-lost love, and their bus-fare home. Be amazed as they struggle on despite: the Army, Tayside Police, the Mountain Rescue service, reindeer, GIANT ALIEN ROBOTS, imaginary volcanoes, al fresco breast-feeding, Young Farmers, the BBC s Gaelic unit, and a nice man from the McManus Museum. 2) The Walking Types Omnibus: A Field Guide to the Folk You Meet on the Hill. Pity The Lost Boys and The Doomed Boyfriend; admire The Wiry Old Guy and the Happy Camper; disdain The Passive-Aggressive Landowner and The Hi-Tech Athlete; fear The Spotty Youths and Unsolicited Advice. Sharply observed, by turns pithy and heart-warming, these short impressions of the Highlands and the people who go there will strike a chord with any Scottish hillwalker.
