Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bluemoose Books Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Lupita and Genesis have just wasted a drug dealer and hit the open road with a suitcase full of dirty money and crystal meth. Little do they know that their road trip will set them on a collision course with a side of American life even darker and weirder than their own. IRVINE WELSH BLACK NEON is a pitch black classic slice of neo-noir, where black magic, art house cinema, drug-fuelled madness and apocalyptic violence collide with dizzying effect. I fell in love with every page.
