Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Everybody knows the damage drugs cause and the heartbreak that follows when the drugs take over and the person becomes a hopeless addict. A very close friend of mine lost his son to addiction because he could not find an effective rehab program to save his son in time. He had tried program after program and each one ended in relapse until the boy finally took his own life. The fearful end anyone in this situation dreads. He started off with home programs, then free programs and then government assisted programs. This became a very sad story as none of them achieved anything more than temporary relief. They all ended in relapse. He came to the conclusion that there was no program that offered true long term freedom from drugs. Even when the lad stopped using and promised faithfully he would never use again he always eventually slipped back into the habit. He at one time sent him to a private clinic that advertised good results and promised to get him off and they did for a while but then the cravings started and the boy went back to using again. Desperate, my friend decided there was nothing he could do to help his kid. I learned about this whole saga too late and that s when I decided to do a thorough research of the various programs available to see if there were any that achieved their promise of true rehab. Not just a rehab that would get the person off drugs for a while, which seemed easy enough to find, but one that would get them off for good, change their attitude and make them capable...
