

## How to Become a Successful Healthcare Entrepreneur: For Doctors and Healthcare Professionals in Nigeria (Paperback)

By Phd Frcog Dr J Adeghe

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dr. Jude-Harris A. Adeghe has spent his career creating and managing hospitals in the United Kingdom and Nigeria. Adeghe began realizing that the many health care options available in Nigeria-including medical clinics, medical laboratory services, physiotherapy clinics, and pharmacies-were startlingly alike. There was no variation, and patients looking for unique services were out of luck. Creative solutions are badly needed in Nigeria. Adeghe is now offering his expertise to any ambitious health care practitioners in Nigeria who want to begin their own health care organization or other services. He combines practical advice in starting a business, with industry-specific secrets of success. Adeghe teaches readers how to create the optimal organizational structures for health care businesses and to push innovation and commitment to quality in their practices. While Adeghe has tailored his advice to entrepreneurial doctors and health care practitioners in Nigeria, it can be used as a foundation for beginning a business in many other African countries. He addresses health care problems that governments in Africa face, including inadequate funding, poor physical infrastructure, and a lack of effective regulation. Adeghe...
