

Navigation for Beginners: Don t Get Lost in the Wilderness and Find Food and Water Without Map: (Prepper s Guide, Survival Guide, Alternative Medicine, Emergency) (Paperback)

By Thomas Hunter

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Navigation For Beginners: Don t Get Lost In The Wilderness And Find Food and Water Without Map The idea of this book is to rekindle the methods that can be used to find a location or we can say to ease navigation. With fast moving world everyone has accessibility to new gadgets and technologies. These gadgets are very easy to use and are accurate in many ways while giving output. With all these things being said we know that before these gadgets our elders used to work out things on their own, using all the resources available at that time and remember this they and their intellect is the only reason we are standing on this level where we have automate maximum routine work of our lives. Besides all this even today in some parts of the world these methods could be still use to find a way, food or water. So the text will be helpful for those of you who are interested in other methods of navigations other than maps or compass. To keep things easy l...
