Leadership is influencing. Therefore, you are leading right now as you influence the life of someone-in every contact and in every situation. As a Christian, you are a Christian leader. And so you want to continually grow in giving your best to God in your leading, your influencing of others. The objective of this writing is to provide a simple and practical guide for Christian leadership. We acknowledge and are so thankful to our God for all the people and experiences he has brought into our lives. We serve a wonderful God. We trust that Simply...
