Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Highwayman On this morning of May, beneath the crimson gown, he wore a pair of smalls and silk stockings, his feet were thrust into slippers of scarlet leather, and his head into a night-cap. Indeed, as regards attire, he was like many gentlemen Of fashion at ten o'clock in the morning only, maybe, more advanced with his toilette than most, and, unlike many, already out of his bed. At any rate he appeared a very elegant, tri?e blase, good-looking young man of the world; one who could fight or dance, hate if he took the trouble or love; gamble, drink, dice, as they all did in those days, but with a charmingly detached manner rather rare and refreshing. As a friend he would be sure, as a foe implacable, as a lover once his passions were really stirred eternally faithful. His indiscretions would be from carelessness rather than weakness; his strength would be natural. He was, in fine, a gay gentleman of twenty-seven unfortunate enough to be born heir to a baronetcy and a considerable estate - who up to now had lived in, and liked, the world I mean the circumscribed world of Society but who now had stirrings Of thoughts within him that the life of the world was mighty near being void and baseless a pleasing mask that hid the true ?esh, the true life; sham lips, sham cheeks that covered, surely, something of actuality. He was well on the verge of such thoughts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
