Excerpt from A Study of Shakespeare s Henry VIII King John is in the nature of a Prologue. A strong antipathy to the power of the Church and the authority of Rome is expressed in this play, and the subject is then dropped until it is taken up again in the relation of the struggle between the adherents of the Old Faith and the New in Henry VIII, which may be described as the epilogue to the historical dramas. Shakespeare ends his sequence with the christening of the infant Princess Elizabeth, at the actual dawn of what was the modern era of his own day. this little one shall make it holiday , runs the last line of the King s speech, which concludes the play. Shakespeare was a close and accurate copyist wherever the plot of his drama was founded on historic fact as set forth by an historian. But with the alchemy of his genius he transformed the sober narratives of Holinshed, Hall, and Cavendish into a moving pageant of that colourful epoch. The imagination of the Poet clothed the dry facts with an inspiring splendour, a nobility, and moving tragedy which metamorphosed them and imbued them with human interest.
