

Metaphysics of Energy (Paperback)

By Ghanshamdas Rattanmal Malkani

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Gustav Klimt (illustrator). Language: English . Brand New Book ***** Print on Demand *****. An excerpt from the PREFACE: The problem of energy has generally been left to the scientist. It is taken for granted that energy is a fact of our experience, and that philosophy has little to say about matters of fact that have their certitude established by universal belief of mankind. From the savage to the savant, it is held as an undisputed fact that there is power in nature, power in us, and power in any conceivable form of ulterior reality. Men may differ as to the nature of this power, but nobody questions the fact itself. The aboriginal reduced nature to a congeries of wills and propitiated them. The later scientists and positivists, in their attempt to free nature from all anthropomorphic ideas, purged it of all forces and wills. But this so-called emancipation of scientific thought, though useful for the immediate purposes of science, left nature a huge and inexplicable illusion, leading most of these thinkers naturally to agnosticism; for, change is a patent fact of experience; how can it be explained without some...
