By Damon McGregor

Lulu.com, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This amazing book of aphorisms is designed to illuminate and open minds to the chains which bind us all. The author, Damon McGregor, who has a Bachelor s in Philosophy, a Bachelor s in Psychology, a minor in English, and a Master s in Philosophy, has spent years observing and participating in humankind and various forms of institutions to find the threads which bind them, and us all, in an attempt to unravel the threads which stitches the seams. His compiled aphorisms are not definitive, but are suggestions which can be seen as keys to dimensions of human psyche and behavior, each illumination shedding light on emotional and rational behavior, unlocking freedom from chains, crutches, institutions, situations, and behavior. There are no chapters, each illumination can stand on its own, giving ease to coming and going back and forth throughout the book when most convenient.
