THE ESSENTIALS: A COLLECTION OF HISTORICAL SPEECHES, LETTERS, SERMONS, AND SONGS FROM A COLLECTION OF HISTORY S PASTORS, EMPERORS, COUNCILS, AND BELIEVERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are really just two ways to swim in the ocean. There is the cautious approach: slowly inch your way toward shoreline, dip your big toe in the cool waters, and then back up a few feet to determine if this was really such a good idea. Then there is the more reckless way: run as fast as you can toward the waves, and right before reaching the water, jump as high as you can and hold your breath. As you probably remember from experience, you ll regret the reckless approach as you fall toward the sea, but soon enough you ll find yourself submerged, and realize it really isn t all that bad. This anthology is an attempt to approach Christian history in that second, more reckless way. You re not going to find many dates here. Nor will you find detailed explanations of the politics, empires, events, or histories taking place in the background. No, instead you ll find the history-makers themselves, in their own words. You ll find sermons, songs, letters, and speeches written by pastors, kings, slaves, councils, and normal, everyday citizens. And you ll quickly realize two things: reading history from the words of those that lived it isn t nearly as hard as you thought it d be; and even though these believers are separated by thousands of years and thousands of miles, their faith wasn t-isn t-really all that different from yours. The many variances of the denominational map are represented here. Roman Catholics and Greek Orthodox, Lutherans and Calvinists, scholastics and mystics, and the many others that don t fit neatly into a category. Again, hopefully you ll see that in spite...
