Brown Wall Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The United States of America is changing. Reeling from infighting and economic failure, the union of the United States crumbles and forms into three super-states-and the possibility of impending civil war may hinge on the actions of two of the most unexpected people. The first is a drifter, who struggles to survive by taking mundane jobs and playing music for tips on street corners; the other is a resolute woman-a survivor from the abyss of the deplorable and illicit underground market in Seattle, Washington-who refuses to give up. Together they unlock their full potential, but in doing so they find themselves in the middle of..
