

Growth Hacking: The Best Kept Marketing Secrets of Startup Hackers and Entrepreneurs (Paperback)

By Logan King

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It's challenging to manage a business these days, much less grow it. It's because unlike generations ago, it's much easier to get into business now, especially with the advent of the Internet age that pretty much leveled the business field. As such, the level of competition is so much higher than in generations past and you'll need to constantly up your game if you want your business to experience great growth and survive today's competitive business environment. Inside you will learn what it takes to hack your business way to significant growth as fast as possible, specifically by harnessing the power of that single biggest force that has changed the way business is done forever - the Internet. You'll discover that single biggest secret to growing your business and the practical ways you can implement or apply that secret using the Internet. You'll also read a couple of successful growth hacking stories from 2 of the most successful startups in the world today - Uber and Snapchat - to get an idea of how the...
