

Bananas, Beaches and Bases: Making Feminist Sense of International Politics [Updated Edition]

Filesize: 6.26 MB

Reviews

It is just one of the most popular ebooks. It normally will not cost too much. I am very easily could get a pleasure of looking at a composed publication.

(Rosetta Thompson)

BANANAS, BEACHES AND BASES: MAKING FEMINIST SENSE OF INTERNATIONAL POLITICS [UPDATED EDITION]

University of California Press, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "I have no hesitation in describing "Bananas, Beaches and Bases as the most significant book in contemporary feminist International Politics. Each time I re-visit it, I am taken aback by its profound implications for both feminism and International Politics. The deceptively provocative question at its core--'where are the women?'--irrevocably transforms our views about what the central and important landscape of global politics is. In my view, it is the essential text not only for feminist International Politics courses but for anyone interested in starting to understand just how International Politics really works."--Marysia Zalewski, author of "Feminism After Postmodernism: Theorising Through Practice" A new edition of "Bananas, Beaches, and Bases is cause for cosmic good cheer. This trailblazing treatment of the gender politics of global market and military projects is a feminist classic. Always ahead of the curve, before globalization had achieved cache in academic circles Enloe was there, cajoling Western feminists out of our political parochialism. There is no more creative, insightful, engaging feminist guide to international politics. Cynthia Enloe is an international feminist treasure, and "Bananas, Beaches, and Bases her signature work."--Judith Stacey, author of "Brave New Families" Bananas, Beaches, and Bases is both a 'Pandora's Box' and a roadmap: It unleashes questions and insights that many conventional students of International Politics are accustomed to ignoring or overlooking about the dynamic between gender and international political life, and it guides us to see how both are mutually constitutive. As the "magna carta" of Feminist International Relations, it has helped create a new generation of women and men in the world of international relations."--Katharine Moon, author of "Sex Among Allies" Cynthia Enloe writes with passion, conviction, intelligence and verve as she makes s.
