

Expecting

By Ann Lewis Hamilton

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Mom, dad(s), and baby make four? Laurie and Alan are thrilled to find out that they'll finally be having a baby, until they discover the unthinkable: the doctor has impregnated Laurie with the wrong man's sperm. Alan is reeling, torn about the new child that's not his and suddenly unsure about any of his commitments. His shock is almost as great as that of Jack, a college junior who suddenly finds out he's a father, and whose identity is discovered as he is juggling finals, his fraternity, a fund shortage, and two girlfriends. Frank, funny, and forthright, Expecting is the fascinating story of three people bound together by a fateful mistake, and a thoughtful exploration of what it really means to be a parent.

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

-- **Art Gislason**

A whole new eBook with a brand new point of view. It is really simplistic but surprises in the fifty percent of the publication. I am just effortlessly can get a delight of looking at a written eBook.
