## LECTURES ON THE THEORY OF ORDINARY DIFFERENTIAL EQUATIONS

Lectures on the theory of ordinary differential equations

LAMBERT

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | The manual is devoted to the study of the foundations of the theory of ordinary differential equations. The main methods of the solution of the differential equations of the first and second order are considered. A large number of the tasks helping to master theoretical material is given. The book will be useful to teachers of a course of the differential equations, research associates, and also graduate students, masters and bachelors. [...]
