THE SATANIC BIBLE

George A. Hart. Paperback. Condition: New. 260 pages. Dimensions: 8.9in. x 5.9in. x 0.8in. This is Rev. Caesar 999's latest version of his Satanic Bible. It is the only other bible titled as The Satanic Bible not as an attempt to copy Lavey as many would like you to believe, but more of an attempt to compete directly with the sales of Lavey's satanic bible. The original spiritual title of Satan's Divine Vampir Bible was being buried in search engines by the many web sites created to promote Laveyan Satanism and monopolize the Satanic Market along with Satanism in general. Caesarean Satanism or Vampir Satanism 999 and its parallel system of Tantric Hinduism are the direct antithesis of Laveyan Satanism. We have two completely opposing beliefs or philosophies and yet have a common religious adversary which is generalized within most right-wing religions such as Judeo-Christianity. This may very well be the only common ground we share and in all other areas stand firmly against each other as dueling opponents. We find a much closer bond and have absorbed far more of the teachings of Aleister Crowley than we may ever have of Lavey with his mercenary and selfish philosophy. In 2006-7 we sold over a 100 copies of our new Satanic Bible counting the different versions of course and going by Ingram's statistics Laveyians only sold about 2,000 copies of their bible a year before. This is mainly to book stores and their own grottoes for resale. So, this can be roughly estimated to about 5% of the Satanic Market we have taken away from them. This will double in the next few years. This will be a showdown between the Spiritual Satanism of Rev. Caesar 999 and the selfish mercenary atheistic Satanism of Lavey. This is why...
