Thomas Nelson on Brilliance Audio, 2016. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. Why do some people achieve great personal success, yet never succeed in building a business or making an impact in their organization? John C. Maxwell knows the answer. The greatest leadership principle that I have ever learned in over twenty-five years of leadership, says Maxwell, is that those closest to the leader will determine the success level of that leader. It's not enough for a leader to have vision, energy, drive, and conviction. If you want to see your dream come to fruition, you must learn how to develop the leaders around you. Whether you're the leader of a non-profit organization, small business, or Fortune 500 company, *Developing the Leaders Around You* can help you to take others to the limits of their potential and your organization to a whole new level.
