John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Fifty Shades of Domination, Mistress Miranda, For Miranda, it all started as an eight-year old girl, struggling to come to terms with the trauma of discovering that her beloved 'mummy and daddy' were in fact her grandparents and her real mother was the woman she had always known as her elder sister. Miranda would go on to develop into a teenage 'wild-child', experimenting with sexual tastes that, from the start, involved her domination over her boyfriend. The bright but wilful teenager ended up leaving her grandparents home at just 16. Miranda was homeless, penniless and alone. A stint as a receptionist in a 'working-girls' flat yielded enough cash to begin scraping together her education, but Miranda soon realised that her own sexual tastes were well-suited to satisfy the vast demand of submissive men seeking out a dominant woman. In Fifty Shades of Domination, Miranda candidly and humorously relates tales from twenty years worth of men, women and couples who have visited her dungeon chambers for fetish fun. At turns erotic, funny and searingly honest, this is not a book about sex for money; this is the story of a life in fetish fashion, deep psychological role-playing and the repressed passions that lie just beneath the surface of us all.
