Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Make-up artist Stella is an expert at helping other people change their images, but when it comes to transforming herself, she doesn't even know where to start. So when her new friend, glamorous Hollywood actress Marina Ray, summons her a movie set in California, Stella can't resist the chance to start afresh - it is the land of sunshine and opportunity after all! But are they really friends or does Marina have an ulterior motive? What is the secret that both women are hiding about the nautical (but nice) men in their lives? And what will it take to really make both of their California dreams come true?
