Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.With the vastness of the universe, the pace and complexity of our world today, and our journey through time to that expected destination-the place called there! To which few eventually realize the fullness of those expectations, for the very coherence of irrefutable models which are oblivious to many. Hence, living life largely as an experimental voyage, due to the poor grasp of what lies ahead. You can live with more assurance and certainty you are on the right track, with the proper life positioning system like the GPS- global positioning system we use today. In simplicity and clarity, the author brings to light these models that make for enhanced wholeness and maximum living today! These models can be easily adapted by anyone, anywhere. In precision living you will: -Understand the universal design and principle of human existence. -Know hitherto secrets of the most accurate Infallible Information and Support system available to humanity through the ages. -Know and understand the five irrefutable majors of life and destiny. -Beyond laser precision, you can recognize and take advantage of this system, models and principles; applying them to any aspect of life or situation; to achieve maximum living. A highly invaluable tool in your journey of life today whether toward having life in abundance or toward deploying your giftedness to humanity. Amos Tanimu s aspiration is to teach the realities of the Word in simplicity and practically. His passion is to see believers grow into the Fullness of the Stature of the Measure of Christ, being established in their purposes for the Kingdom of God and to provide resources to the same end. He lives in the Washington DC metro area, USA.
