Polite, beautiful, charming, polished .perfect. Everything is always under control, and when it isn't, she handles it. It's been an eventful few years, but she's made it through each upheaval with poise. Just as she's looking forward to things calming down, her entire life is upended by a startling piece of news. Aside from her agent managing her day-to-day affairs, Sabine does not ask for help. Not even from her close knit group of friends and family. So when she finds herself struggling to cope with major changes in her life, she's determined to power through on her own. It should be easy enough. Everything is always easy for Sabine: modeling, men, money, languages, art, cooking. Finding out she's pregnant shouldn't be any different, right? Except it's not easy. Nothing about navigating pregnancy, custody, complications, and a man she despises trying to seduce her is simple. Michael Moniteau's intentions are questionable, but she desperately needs help and he's the only one who understands enough to give it. It could be the beginning of something wonderful, or it could break the heart she's kept carefully shielded for so long.
