They even profiled me as HOT27RIDGE, and I almost disowned them all. I agreed to one last try before throwing the towel in on dating forever. Good thing I did, because LTAY27 popped up on the screen and it was anything but a disaster. Lennox Taylor a construction worker by day and a computer programmer by night knew how to code the system for the right match. Or was it all a myth that you could find your soul-mate online?
