Brand New Book ***** Print on Demand *****.Sierra Leone s overwhelming 11-year civil war destroyed much of its infrastructure, and left its economy in disarray. Freetown is the capital and it offers many attractions including a 500-year-old cotton tree, a museum and the King Jimmy Market with various bazaars for a unique shopping experience. In the northern region of Sierra Leone the Outamba-Kilimi National Park can be found, and aside from the magnificent scenery the park also offers elephants, chimpanzees and pygmy hippos. The tropical rain forest is the home to various endangered species of monkeys, baboons, birds, butterflies and also a variety of antelope and buffalo families. For those more interested in plant life the Sakanbierwa plant reserve with its impressive collection of orchids is a must see. This eBook...
