

Free to Serve: Protecting the Religious Freedom of Faith-Based Organizations

Filesize: 8.3 MB

Reviews

Thorough manual for publication fanatics. It is actually rally intriguing throgth reading through period of time. Its been written in an remarkably simple way and is particularly only after i finished reading through this book in which actually transformed me, change the way i think.

(Morris Schultz)

FREE TO SERVE: PROTECTING THE RELIGIOUS FREEDOM OF FAITH-BASED ORGANIZATIONS

Baker Publishing Group, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. What do Hobby Lobby, InterVarsity Christian Fellowship, Wheaton College, World Vision, the Little Sisters of the Poor, and the University of Notre Dame have in common? All are faith-based organizations that have faced pressure to act in ways contrary to their religious beliefs. In this book, two policy experts show how faith-based groups--those active in the educational, healthcare, international aid and development, and social service fields--can defend their ability to follow their religiously based beliefs without having to jettison the very faith and faith-based practices that led them to provide services to those in need. They present a pluralist vision for religious freedom for faith-based organizations of all religious traditions. The book includes case studies that document the challenges faith-based organizations face to freely follow the practices of their religious traditions and analyzes these threats as originating in a common, yet erroneous, set of assumptions and attitudes prevalent in American society. The book also includes responses by diverse voices--an Orthodox Jew, a Roman Catholic, two evangelicals, two Islamic leaders, and an unbeliever who is a religious-freedom advocate--underscoring the importance of religious freedom for faith-based organizations.
