IVP Academic. Paperback. Condition: New. 192 pages. Dimensions: 8.2in. x 5.5in. x 0.7in. Honored in 2006 as a Years Best Book for Preachers by Preaching magazine. Creation in six days Woman from the side of man Sons of god taking daughters of men A massive disaster and an animal rescue boat of biblical proportions Abraham, Sarah, Hagar and the ongoing saga of a dysfunctional family These are just a few of the episodes that Genesis conjures up. But we miss the point if we focus on what seems strange to us. And we distort the message if we demand that this book answer questions that are strange to it. To read Genesis intelligently, we must consider the questions, the literature and the times in which Genesis was written. In How to Read Genesis Tremper Longman III provides a welcome guide to reading and studying, understanding and savoring this panorama of beginnings--of both the world and of Israel. And importantly for Christian readers, we gain insight into how Genesis points to Christ and can be read in light of the gospel. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
