*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## NO ROBIN HOOD: AND OTHER POEMS

Archway Publishing, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.No Robin Hood is a collection of poems created over a period of forty years by author Earl Handley. Most of the poems are humorous, a few are sentimental, some are cynical, some are factual, some are entirely fictional, and some are a mixture of fact and fiction. Some of his poems recount poignant times in his life, in A Perspective he talks about the death of his father, while in The Last Trout he talks about his love of fishing. Many of the poems are about hunting with the bow and arrow. Although the author has brought home the bacon thirty-nine times using the bow, most of the hunting poems are about his unsuccessful hunts. He learned more from his failures than from his successes, which is evident throughout his poetry collection, No Robin Hood. No Robin Hood I was bow-hunting deer at Michael's place\*. I had on a camouflage -outfit and paint on my face. I had been on my tree-stand since well before dawn. But I had seen no deer, not even a fawn. Then I saw him - a six point buck -About sixty-five yards away. I was in luck. I fumbled for my deer-call and gave it a blow. But the deer just ignored it. Was volume too low? The deer turned and disappeared. Was he gone? That is what I feared. Suddenly he popped out - he was moving fast. Before I could draw my bow, he ran past.
