

Pattern Alteration: A Guide for Leaders in Clothing Programs (Classic Reprint) (Paperback)

By United States Department of Agriculture

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pattern Alteration: A Guide for Leaders in Clothing Programs Every woman who sews for herself or her family wants to make attractive, durable, well fitting clothes. Garments that do not fit are a waste of time and materials because they are uncomfortable, do not withstand hard wear, and give no sense of pride or well-being. The first step toward excellent fit in clothes is a pattern that fits properly. If a style and size best suited to a woman's figure are chosen, the pattern may not need alteration. Most women, however, have some figure irregularity that requires change either in the pattern or the garment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
