

The Outfoxed Fox: Based on a Japanese Kyogen

By Tim J. Myers

Amazon Publishing, United States, 2013. Paperback. Book Condition: New. 267 x 229 mm. Language: English . Brand New Book. Hundreds of years ago in the mountains of Japan, there lived a hunter who trapped many foxes. People warned him that foxes were cunning creatures that possessed great magic, but he ignored them. One day, the bossy old fox leader declared they must stop the hunter and that he had the perfect plan. But a young fox with crooked whiskers knew that a simple plan is often best. To prove it, he showed both the hunter and the leader just how cunning a fox can be! Whimsical illustrations rendered in pencil, water-color, oil paint, and colored pencil by Ariel Ya-Wen Pang add to the charm of this Japanese tale based on a traditional kyogen. An author's note is included.
