Am Book and Team Publishing Limited, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Kini-Kini Bird and more Yoruba Folktales is a selection of folklore thought to have originated from the Yoruba people. The Yoruba are native to the western part of Nigeria. A few centuries ago, the cultural influence of this ethnic group stretched much further out into the West Africa region. Folk tales of the Yoruba are often severely fantastic, the themes generally underscoring the largely agrarian occupation and also the great reverence accorded the gods and the traditional rulers of the communities.
