

Ash: Poems from Norse Mythology (Paperback)

Filesize: 3.24 MB

Reviews

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Salvador Lynch)

Rebel Satori Press, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.In Ash, acclaimed poet Jeff Mann has created a haunting and intense examination of Norse mythology, extending from the creation of the universe to its end in the flames of Ragnarok. Here are many voices: All-Father Odin, bound to the World Tree; Thor, the protector of mankind and battler of monsters; Balder, the gentle god treacherously slain; Sigurd, killer of a gold-hoarding dragon; Brynhild, love-sick and vengeful Valkyrie; and Surt, the demon who burns the earth and sky to ash. Here are many worlds: a seething snake-pit, a burning mead hall, an open tomb, Valhalla's vigorous feasting and lovemaking, fir forests and Nordic snows. These poems range from the speech of gods and heroes to autobiographical lyrics that use myth as an entry into eternal human concerns: love, hate, loss, death, and rebirth.
