FALLS HANDBOOK: CLINICAL AND MEDICAL-LEGAL PERSPECTIVES OF FALLS ACROSS THE LIFE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 130 pages. Dimensions: 11.0in x 8.5in x 0.3in. Falls are a widespread public health problem, affecting many age groups from children through older adults, from public to patient settings. In the healthcare setting, all persons involved in the delivery of healthcare from administration through hands-on healthcare providers and professionals have a responsibility for providing patient safety in preventing falls. This shared goal and responsibility for providing...

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotonny at at any time of the time (that's what catalogues are for relating to if you check with me).

-- **Ahmad Heaney**

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.

-- **Norma Carroll**

A must buy book if you need to adding benefit. It is actually writter in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.
