

Journals, 1939-1977

Filesize: 8.81 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

JOURNALS, 1939-1977

Faber Finds. Paperback. Condition: New. 236 pages. Dimensions: 9.2in. x 6.0in. x 0.8in. There is nothing like Keith Vaughans Journals. They represent one of the greatest pieces of confessional writing of the twentieth-century. Keith Vaughan was a painter and belonged to the Neo-Romantic group, other members including Graham Sutherland, John Minton, Michael Ayrton, Ceri Richards, John Piper and John Craxton. He was also gay and much troubled by his sexuality. Faced at the age of 27 with what then seemed the likelihood of imminent extinction before I had properly got started, he began the Journals in 1939 and only finished them at the very moment of his suicide in 1977. The Journals are edited by Alan Ross, and in his words they are a self-portrait of astonishing honesty: devoid of disguise in any shape or form, or hypocrisy. It is difficult to think of anything in literature they resemble. The earlier Journals, covering his war and his period of greatest creativity in the late 1940s and 1950s, are revealing for the light they shed on a painters character and, to a lesser extent, working methods. The last Journals chronicle a descent into hell . . . redeemed by their frankness, spleen and dry humour. First published in 1966 and then reissued in amplified form in 1989, it is the latter version Faber Finds is reissuing. The fuller edition itself has been out of print for a long time, so its renewed availability will be welcome. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
