You sense your responsibility for these little lives and want as much interaction as possible without interfering with the role of parents. Most of all you want to make time with grandchildren count! This book will help you. As a professional marriage and family counselor, Dr. Judith Rolfs, author of Secrets To Being A Super Grandparent, realizes grandparents have a special role to figure out. Grandparenting is easier in some ways than parenting with less responsibility, but it's harder, too, because there's less control and no clear agenda. Rolfs adds delightful structure to the process with this idea-packed book for enriching times together. She says, It's easy to miss out on the joyful time to enjoy grandchildren if you don't have a plan for what you'll do. Secrets To Being A Super Grandparent is full of ideas for conversation topics, important lessons to teach in fun ways, stories to inspire. Grandparents can be a beautiful reflection of God's generous love that grandchildren need and long for. Grandparents are vitally important in the family because they give companionship with adults who find them fascinating and lovable. Often parents lack the time and energy to devote as much individual attention to their children as they'd like. The author says: You grandparents can radiate a different view of life through the window of your maturity. You've managed to survive life's hustle-bustle monster and hopefully learned to tame it a bit. The key is to dote on grandchildren and teach this new generation of your family to honor God and develop self-esteem without making them arrogant or spoiled....
