*This published publication is wonderful. Of course, it is actually engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Oxford University Press, United Kingdom, 2012. Mixed media product. Condition: New. Georgie Birkett (illustrator). UK ed.. Language: English . Brand New Book. A fully illustrated alphabetical first dictionary for 4-5 year-olds. A fresh new look for the Oxford Very First Dictionary which introduces children aged 4+ to the features of a dictionary in an appealing way. The dictionary has over 300 familiar words, each with a simple definition and an illustration which reinforces the definition. Each page is clearly laid out so it is easy to pick out the main features - the alphabet down the side of the page, the letter of the page you are on in red. A lovely extra for this age level is the illustrated opening letter - A shows a juicy apple, B shows some buzzing bees. There is also a fully illustrated section at the end with vocabulary on topics related to first learning, e.g. colours, numbers, shapes, days and months, as well as a list of common words and a simple introduction to grammar with a list of verbs or doing words . This is a great introduction to the world of dictionaries. For downloadable fun word games, puzzles, and activities, go online to the website.
