Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everybody wants you to spend money on your house. They want you to fix it up, add-on, improve, rehab, renovate, or buy more amenities, sheds, decks or pools. But what if you realized that most of the money you ve poured into your house was lost; thousands of dollars that could never be recovered. That s the scary story that I see every day as a real estate appraiser. Most of the time I arrive on the scene of the accident , with real estate carnage spread out in front of me. There are a few key principles that will benefit every homeowner, no matter the specifics of your situation. I have a front row seat to enough real estate spending disasters and I am trying to save you from another one. Interview with the Author: .Q: Why did you write this book? A: I have been appraising homes for 15 years and I seldom get to tell anyone the things they need to know about spending money on their home. Usually, I appraise homes for lenders and I have to be careful what I say because I am working for them not the homeowner. Q: Why are the top questions homeowners ask? A: How much does a house appraisal cost? How long does a home appraisal take? Do I have any recourse for a bad appraisal? What is a house appraiser looking for? I am renovating: How can I make my house appraise at a high value? Saving is important. How can I remodel and get the most money back? If the appraisal comes back in low can we renegotiate the purchase agreement? How long after the appraisal can we expect...
