

Digital Disaster!

Filesize: 8.91 MB

Reviews

This ebook is indeed gripping and fascinating. It is definitely simplistic but excitement from the 50 % of your book. You wont sense monotony at at any time of your own time (that's what catalogs are for relating to should you check with me).
(Mr. David Stanton Jr.)

SIMON SCHUSTER, United States, 2014. Paperback. Book Condition: New. 190 x 130 mm. Language: English . Brand New Book. When the newspaper staff goes digital, they learn the hard way that backup files are anything but optional. Cherry Valley Middle School has all-new computers, which means the school newspaper can produce its first-ever online edition of The Cherry Valley Voice. Sam loves desktop publishing and enjoys cutting and editing stories online and getting instant visual feedback. And it's amazing that the paper can go live at the press of a button! But when it's time for that button to be pressed, a terrible thunderstorm prompts a power surge that wipes out the entire issue. And no one has created backup copies of their work! The next day is the class trip to the amusement park, which Sam and the rest of the newspaper staff have been looking forward to for ages. But will the trip be everything Sam hopes for, or will that, too, turn into a big disaster?.
