Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I REMEMBER WATERCOLOR nights with my father and can still conjure up his voice, creaky like an anise candy wrapper. Sometimes he'd shade my world with his knowledge of birds, bats, and insects, or recite the lyrics to ballads like, To Know Know Know Him, is to Love Love Love Him. Pushing seven, I would often spend my days sloshing around swamps in my yellow plastic boots searching for tadpoles and leopard frogs. When the wind howled dad would say, See little November, there is music everywhere. Come along on a magical and mystical literary ride, a coming-of-age story set in the post-punk rock era of 1984, with November Rainer Savitchian reliving the fateful night of the Celtic Hazel Moon Festival. Hazel Moon unfolds over 24 hours on Earth, yet also Spans Centuries and Travels the Universe. Hidden in the author's colorful prose are poignant layers of profound Wisdom Parable inspired by classic texts like Hermann Hesse's book, Siddhartha.
