Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Huntington Island State Park: Visitor s Guide Perhaps the major reason for this lack of disturbance was the island s geography. The sandy coastline and interior dune ridges were uninviting to settlers looking for good crop land. Lack of easy access to the island further discouraged settlement. Until completion of the first bridge in the 19405, Hunting Island could only be reached by boat. This isolation protected a distinctive beach, forest, and wildlife habitat that continue to be conserved today as a state park.
