Lulu.com, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book is for the manager tackling the integration of multiple management standards, such as for quality, environment, energy reduction, occupational health safety, finances and other requirements that we often end up bolting together with resulting inefficiencies due to conflicting approaches and duplication of efforts. A well-integrated management system will simultaneously provide people with a guide to prevent doing wrong and a platform to doing right from. A bad system will put them in a straightjacket and prevent them from doing right. The book is divided into bite-sized sections, overall introducing a management system framework that is compatible with and combines various management systems standards published by the International Standards Organization. The framework is suitable for the integrated implementation of ISO 9001(2015), ISO14001, ISO 50001/ EN 16001, OHSAS 18001 and most other recognised industry specific management standards.
