This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This full-color illustrated guide takes you through all aspects of video production, focusing on action sports. From planning and preparation to editing and postproduction, you ll get a solid understanding of the changing technology, camera techniques, and basic to more-advanced shooting principles that can be applied to almost every scenario you encounter. The countless examples of camera tricks and techniques used at major events apply to any kind of shoot. Equally as important, you re encouraged to go beyond merely recording the scene and learn how to think like a professional cameraman. Predicting and anticipating is perhaps the greatest talent a cameraman can acquire. It means keeping both eyes open and see not only what is happening around your frame, but also what is about to happen in it. Master the techniques and tools of the trade so you can create compelling and creative work. Includes tips on how to: * Choose a format * Develop your own style * Plan for a successful project, including funding and distribution * Capture the shot in any environment * Shooting tips and techniques for skateboarding, snowboarding, wakeboarding, surfing, freestyle BMX, and more.
