Brand New Book ***** Print on Demand *****.Excerpt from Popular Government, Vol. 36: September 1969 Other strong supporters of consumer-oriented legislation this year included Attorney General Morgan and Commissioner of Agriculture Graham. In his legislative program the Attorney General stressed bills to bolster his new Consumer Protection Division measures to adopt state unfair and deceptive trade practices legislation, to strengthen and broaden North Carolina's antimonopoly legislation, and to direct the Attorney General to represent the interest of the consumer and using public before courts and regulatory agencies. Proposed agricultural legislation this year included bills to strengthen the Commissioner's hand in enforcing sanitary requirements for soft-drink bottlers, to enable the Commissioner to establish standards of quality under the Egg Law for consumer protection, and to revise the state meat inspection law. A box score on consumer-backed legislation shows a mixture of successes and failures, but over-all a substantial achievement. The legislative programs of the Attorney General and the Commissioner of Agriculture were largely enacted, as were increases in minimum wages and workmen's compensation benefits. Once again, abolition of capital punishment and regulation of day-care centers failed, though the latter came close to passage in the waning stages of the session. The session-long battle over interest rates was finally resolved on the last day by adoption of a conference report that resolved a compromise between the lender-backed Senate bill and the more consumer-oriented House bill.
